Answer the following questions. Be as honest and direct as you can. Please <u>type</u> your responses and submit along with your application.

- 1. At Highland Park Dance Company we offer instruction in numerous different styles, yet our specialty is drill team preparation. Do you have any experience with drill team dance? If so, please describe the nature of that experience (drill team member, director, asst. director, choreographer, etc.) and tell us how that has equipped you to be an instructor for girls seeking to become members of a drill team?
- 2. What styles of dance are you **most** equipped to teach? What strengths do you have in these areas that set you apart from other dance instructors?
- 3. Describe how you would maintain structure during your classes. How would you respond to students who are misbehaving or being disrespectful?
- 4. Please read our mission statement below. Tell us how you would live out this statement and contribute to the mission of HP Dance as an instructor.

Highland Park Dance Company uses Christian values as the basis for our curriculum and instruction. In addition, to physical training, students will learn the importance of character, work ethic, and integrity, and how to apply these concepts to all aspects of life. We choose to glorify God in all aspects of our dance training and to show God's love to each student. It is our commitment as teachers and role models to set a positive example in action and in speech.

Thank you for taking the time to apply. When finished, please email hpdancefeet@gmail.com and attach:
